

Workplace Training Programs

We know our training works. More important, so do others. As Ontario's designated occupational health and safety training centre we have trained hundreds of thousands of workers, supervisors, joint health and safety committees, health and safety representatives, and other workplace parties over the past three decades. With more than 200 ready to deliver training programs we are well positioned to help your workplace comply with the many training requirements mandated by health and safety law. Much of the training we offer can also be used for general workforce training and as part of your overall workplace health and safety program. Many WHSC programs are scheduled to run at various times throughout the year in a community near you. Or, we can work with you to organize the delivery of one or more training programs in your workplace.

Listed below are titles of workplace training essentials. For more information, program descriptions and schedules or a copy of our training catalogue visit our website, www.whsc.on.ca or call our toll free line from anywhere in Ontario, **1-888-869-7950**, and ask to speak to a training services representative.

Joint Health & Safety Committee Training

Basic Certification [4 days] *
 Certification Part II Sector Programs [3-7 days]
 Confined Spaces Plan and Program [12 hours]
 Documenting Health and Safety [3 hours]
 Federal Committees and Representatives [12 hours] *
 Hazard Prevention Program (Federal) [3 hours]
 Occupational Hygiene Monitoring [6 hours]
 Workplace Inspections [3 hours]
 Workplace Investigations [3 hours]

Awareness, Operator & Other Training

Awareness Training for Supervisors [3 hours]
 Awareness Training for Workers [3 hours] *
 C-45 The Westray Bill [3 hours]
 Chainsaw Operator [6 hours]
 Confined Spaces Entry and Hazard Recognition [6 hours]
 Ergonomic Toolbox [3 hours]
 Ergonomics: Applying Prevention Principles at Work [6 hours]
 Ergonomics in Health Care and Social Services [3 hours]

Ergonomics: Recognizing Injuries, Risk Factors and Design Principles [6 hours] **
 Fall Protection - Industrial [4 hours]
 Fire Watch [6 hours]
 Forklift Operator [8 hours] *
 Forklift Operator Mid-Term Evaluation [1 hour]
 Globally-Harmonized WHMIS [2-3 hours]
 Industrial Cranes, Hoists and Rigging [6 hours]
 Job Task Analysis [3 hours]
 Lockout (Manufacturing) [6 hours]
 Mini Excavator Operator [8 hours]
 Ontario Health and Safety Law [3 hours]
 Powered Elevating Work Platform Operator [8 hours]
 Propane for CH-02 ROT [6 hours]
 Propane Handling, Storage and Use [6 hours]
 Rough Terrain Forklift Operator [8 hours]
 Rough Terrain Operator Mid-Term Evaluation [1 hour]
 Skid Steer Operator [8 hours]
 Smaller Workplaces Health & Safety Program [2 days]
 Supervisor Health and Safety Training [1 day]

Hazard Awareness Training

Individual hazard awareness programs are delivered **over a three hour session**.

When bundled, three separate programs can be delivered during a one day session.

Each program is designed to satisfy the Part II Certification workplace-specific hazard training requirement.

Each is also suitable for general workforce training.

Adhesives	Manual Material Handling *
Agricultural Chemicals in the Food Industry	Metalworking Fluids
Aluminum	Molten Materials and Furnace Hazards
Anaesthetic Gases	Mould
Asbestos	Moving Machine Parts *
Biological Hazards	Multiple Chemical Sensitivity
Blasting Hazards in Underground Mining Operations	Noise *
Compressed Gas *	Office Biohazards: Viruses, Moulds and Bacteria
Confined Spaces *	Office Layout and Design
Conveyor Systems *	Office Work Environment
Critical Incident and Post Traumatic Stress	Oxidizing and Reactive Agents
Dust and Fibres	Patient Handling
Dyes and Fabric Treatment	Personal Protective Equipment *
Electrical Hazards *	Power Presses
Elevating Devices	Pressurized Systems
Emergency Preparedness & Pandemic Response Plans *	Propane
EMFs and Dirty Electricity	Roadway Work
Ergonomics in Health Care and Social Services	Robotic Machinery
Explosives in Underground Mines	Safety Hazards
Fire and Explosion	Solvents
Flammables and Combustibles	Spray Painting
Forklift Trucks *	Stress in the Workplace
Glass Handling	Transportation of Dangerous Goods
Hand Tools *	Vehicle Driving Hazards
Heat and Cold Stress	Vehicle Emissions
Heavy Mobile Equipment	Vibration
Hours of Work	Walking and Working Surfaces *
Indoor Air *	Waste Disposal
Industrial Lasers	Water and Ice Rescue
Infectious Diseases	Welding Hazards *
Isocyanates	Work Design
Lighting Hazards	Work Organization
Lockdown: A Crisis Response	Working at Heights Awareness *
Lockout *	Workplace Violence and Harassment **
Man-Made Mineral Fibres	

* Participant materials are available in French for programs marked with an asterisk. Upon request, any of our training programs are available for delivery by a French-speaking, WHSC-qualified instructor.

** A similar training program is available in French.
